

TRIVIA NIGHT, OCTOBER 10, 2023

Please join us for a evening of all things trivia!

At: Oasis Convention Center

When: Tuesady October 10, 6 – 9 pm

What: 8 rounds of entertaining, challenging trivia benefitting your favorite Literacy Council.

Hello,

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of Ozarks Literacy Council to request your sponsorship for our upcoming Trivia Night event, scheduled to take place on October 10, 2023, at the Oasis Convention Center.

Ozarks Literacy Council is a non-profit organization dedicated to promoting literacy and education in our community. With your support, we can continue to provide essential programs and services to individuals of all ages, helping them develop their literacy skills and fostering a lifelong love for learning.

Our Trivia Night event promises to be a memorable evening filled with fun, camaraderie, and intellectual challenges. Guests will have the opportunity to engage in friendly competition while enjoying delicious food and refreshing beverages. We believe that this event will not only bring the community together, but also raise crucial funds to support our literacy initiatives.

We have several sponsorship levels available, each offering unique benefits and opportunities for exposure in the form of game materials, Trivia Night promotions, and named event sponsor on Ozarks Literacy Council's website. Please find sponsorship options below, including expected financial commitment. We will gratefully accept material donations for our silent auction instead of, or in addition to sponsorship if sponsorship is not possible.

By becoming a sponsor or donor, your company will not only contribute to a worthy cause but also gain valuable exposure to our event attendees, community members, and online platforms. We have a strong following and anticipate media coverage leading up to and during the event, providing your organization with a unique opportunity to showcase its commitment to corporate social responsibility.
